Introduction to WAVE

WAVE is a network of 160 women's NGOs in 46 European countries, who are all working towards tackling and preventing violence against women and their children. Our members are mainly women's specialist services such as shelters, centres and helplines, some are also national networks of such organisations.

WAVE's main areas of work are:

- 1) Advocacy & campaigning for a) better legislation, and implementation of existing legislation to tackle violence against women and b) sufficient funding for women's specialist services,
- 2) Capacity building and networking for our members through trainings, conferences and partnership projects,
- 3) Data Collection on the status of WSS in our member countries which is published every 2 years. WAVE also publishes regular newsletters, social media posts, blog contributions and an online magazine Fempower.
